It is recommended that your child be *at least* four years of age to start the swim lessons program. Children younger than age 4; please see the pool management staff to be directed.

Class sizes will be limited to five children based on the number of instructors available for that session. Enrollment will be on a first come and then first **paid** basis and we ask that you do not request more than one session at a time. We will try to accommodate as many members as possible, without compromising the quality of the lessons. You must attend the first day of lessons for the session you are assigned or you forfeit your spot in the class. Exceptions to this will be made if notice is given to pool management in advance.

**Please put in the comments your childs' appropriate level.** It is **important** that your child can perform all of the skills of the level previous to the one in which you are registering. After the first day of lessons no additional sign-ups will be accepted. Also, **all payments MUST be paid online at sign up.**

**Lessons are available for \$50 per child per session paid online at sign up.** Weekday sessions will last 8 days over 2 weeks with lessons running Monday – Thursday. If make-up lessons are necessary due to weather, those will be held on Fridays during normal lesson time or as otherwise scheduled.

Again, enrollment will be on a first come and then first **paid** basis and we ask that you do not request more than one session at a time.
